Withdrawal Procedure

All withdrawals must be handled through the school office. A written note or contact from the parents would initiate the process of withdrawal from the school. All rented textbooks must be turned in and financial obligations current in order to withdraw in good standing.

School records will not be transferred to other schools until all accounts are paid in full.

Financial Policy

1. The registration fee is to accompany the application for admission. The registration fee is non-refundable once a student is accepted for enrollment. If your child is not accepted, the registration fee will be refunded.
2. Tuition fees are a **yearly** charge, not a monthly charge for each month attended or the number of school days in the month. We have made it convenient by allowing it to be made in 10 payments.
3. Report cards will not be issued unless all accounts are paid in full and up-to-date. This includes tuition, books fees, special class fees, etc.
4. After two returned checks due to insufficient funds, your personal checks will not be accepted for payment on your account – only cash, money orders, cashiers' checks, **MasterCard** or **Visa will be accepted**. A \$32.00 charge will be added to your account for each returned check. This fee is subject to change as per bank rates.
5. Tuition fees may be paid using **MasterCard** or **Visa**.
